1. **ABSTRACT:**

In this project we use MS Access and Sublime to create a hospital system. In MS Access we create Database, Forms, Reports of doctor and patient record. In sublime we use CSS, html, bootstrap to form a web page of hospital system that include home page, about, contact, doctors.

2. **INTRODUCTION:**

As Shaheen City hospital is a health care institution providing patient treatment with specialized medical and nursing staff and medical equipment. At Shaheen City Hospital we provide all types of necessities to our patients. This hospital is a tertiary care hospital with consultant doctors specialized to provide compassionate care and treatment to patients with a full range and severity of specialty diseases and conditions. Our fully equipped emergency rooms, high tech operating rooms, well equipped critical and intensive care units, comfortable general hospital wards and premium private wing wards have all been designed to ensure a high standard of quality care for all our admitted patients.

Our Mission and Vision:

To be committed to excellence in all of our services to our patients so that we may help them achieve the highest level of dental health appropriate for their needs in an atmosphere of trust and compassion. We will continually update ourselves regarding the best and most current materials and technology available.

Our Facilities:

We facilitate our patients with clinical nutrition and cafeteria, emergency care, cancer center, cardiology and financial help for needy ones.

Our Doctors:

At Shaheen City Hospital, we have best specialist surgeons for patients like ENT, OPD, Cardiology and Skin.

3. **SOLUTION:**

In this part we show solutions of desktop application which we make by using MS Access and we show a website to you.

```

```
    <p>
```

To be committed to excellence in all of our services to our patients so that we may help them achieve the highest level of dental health appropriate for their needs in an atmosphere of trust and compassion.

We at Rogers Dental Center will continually update ourselves regarding the best and most current materials and technology available in dentistry and infection control.

We will treat the patient's dental needs with the highest level of care, skill, judgment and comfort.

We will adapt, grow and evolve with our profession and society.

We will appreciate, communicate and empathize with our patients and our fellow team members so that we may enhance the lives of every person involved in achieving our mission.

<h2>OUR STAFF</h2>

<p>

The doctors of Rogers Dental Center are extremely proud of our staff and feel that they're a great asset to our business. This group of highly-trained professionals is excited about what they do, have the highest standards of quality and integrity and are motivated to achieve the best for our patients.

</p>

<h2>Appointments</h2>

<p>

Your scheduled appointment time has been reserved specifically for you. We request a 48-hour notice if you need to cancel your appointment. We are aware that unforeseen events sometimes require missing an appointment. After missing your second appointment without notifying us 48 hours in advance, you are subject to being charged an additional fee.

</p>

<h2>ISURANCE POLICY</h2>

<p>

Our office is committed to helping you maximize your insurance benefits. Because insurance policies vary, we can only estimate your coverage in good faith but cannot guarantee coverage due to the complexities of insurance contracts. Your estimated patient portion must be paid at the time of service. As a service to our patients, we will bill insurance companies for services and allow them 45 days to render payment. After 60 days, you are responsible for the entire balance, paid-in-full. If you have any questions, our courteous staff is always available to answer them.

<h2>FINANCIAL</h2>

<p>

Your treatment plan will include a breakdown of all applicable fees, and we will inform you of all costs before treatment is administered. For the convenience of our patients, we accept Visa, MasterCard, Discover and American Express. We also offer third-party financing through CareCredit to help make your treatment more affordable. Discounts are also available for patients who pay in full prior to the onset of treatment. Charges are payable at the time of treatment.

Please ask a member of our staff, and we will review our payment options to accommodate your financial needs.

If special arrangements are needed, please discuss your situation with our financial coordinator prior to receiving service.

ENT</h2>

<p>

At Shaheen City Hospital our Ear, Nose and Throat (ENT) consultants provide a variety of services on par with international standards. Our ENT consultants utilize state-of-the-art microscopes, fiber-optic laryngoscope with video recording options, as well as rigid nasal and ear endoscopes. All the instruments we use are thoroughly sterilized keeping in mind the high incidence of Hepatitis C in Pakistan.

</p>

<h2>OPD</h2>

<p>

Shaheen City Hospital's Orthopaedic and Spine Center provides a comprehensive program for patients who experience degenerative and acute joint, back and neck conditions as a result of trauma, illness or aging. The Orthopaedic and Spine Center's combination of patient education, individualized care, advanced treatment, and reconstruction options ensures that patients achieve the highest level of independence and physical function. Our doctors are leaders in their specialty areas, providing state-of-the-art treatment and care in the diagnosis, treatment and rehabilitation of orthopaedic conditions to patients of all ages, helping to shorten the hospital stay and recovery time. Shaheen City Hospital offers a full range of orthopaedic surgical services, with several areas of special expertise.

</p>

<h2>CARDIOLOGY</h2>

<p>

The Cardiology Department at Shaheen City Hospital offers a full spectrum of specialty services for patients with conditions that affect their heart and blood vessels. Our goal is to provide exceptional care for patients at risk for or with established cardiovascular disease. We also aim to educate future leaders in cardiovascular medicine.

</p>

<h2>SKIN</h2>

<p>

Dermatology specializes in the largest organ in the human body – the skin. We offer expertise in the management of both common and rare skin diseases. Dermatology seeks to improve the quality of life for patients suffering from the pain, frustration and potential embarrassment that can be caused by skin diseases.

    <h2>CLINICAL NUTRITION</h2>
    <p>

```

This specialized nutrition care department in Shaheen City Hospital and Medical Center offers nutrition care counseling to the patients in the best possible way by the experienced Clinical Nutritionist Ms. Ayesha Khan whose expertise has a foundation on trustworthy, science based nutritional information as well as vast experience in the pertinent field.

The approach is holistic and personalized, catering to the individualized needs of the patient and the goal is to promote individualized medical nutrition therapy in a multidisciplinary approach as a means to optimize patient care.

The scope of Clinical Nutrition offered at Shaheen City Hospital covers the following areas:

Weight management,
Cardio vascular problems,
Neurological disorder,
Renal disorder,
Disorders of Gastrointestinal,
Liver disorders,
Diabetes,
Diet in various metabolic disorders,
Enteral and parenteral nutrition,

Healthy nutritional counseling for normal individuals through different life cycles.

We see the dignity of each patient along with their unique nutritional needs hence they are counseled that way. Our qualified and eminent dietitian provides outpatient services in her clinic Monday to Saturday. Inpatient services on referrals are also available to the patients who are hospitalized by our qualified clinical nutritionist.

</p>

<h2>Cafeteria</h2>

<p>The cafeteria at Shaheen City Hospital provides a wide variety of dining options for admitted patients as well as families – tailored to the dietary needs of our patients. The cafeteria is located on the ground floor and is open 24 hours and 7 days a week.

The menu includes a variety of beverages, snacks, baked goods as well as main course meals. Main course meals fall under the following categories:

Vegetable dishes,
Daal (lentil) dishes,
Chicken dishes,
Rice dishes,
Roast dishes.</p>

WELCOME TO SHAHEEN CITY HOSPITAL

GENERAL INTRODUCTION TO SHAHEEN CITY HOSPITAL

OUR MISSION AND VISION

To be committed to excellence in all of our services to our patients so that we may help them achieve the highest level of dental health appropriate for their needs in an atmosphere of trust and compassion. We at Rogers Dental Center will continually update ourselves regarding the best and most current materials and technology available in dentistry and infection control. We will treat the patient's dental needs with the highest level of care, skill, judgment and comfort. We will adapt, grow and evolve with our profession and society. We will appreciate, communicate and empathize with our patients and our fellow team members so that we may enhance the lives of every person involved in achieving our mission.

GENERAL INTRODUCTION OF SHAHEEN CITY HOSPITAL

➤ OUR STAFF

The doctors of Rogers Dental Center are extremely proud of our staff and feel that they're a great asset to our business. This group of highly-trained professionals is excited about what they do, have the highest standards of quality and integrity and are motivated to achieve the best for our patients.

➤ Appointments

Your scheduled appointment time has been reserved specifically for you. We request a 48-hour notice if you need to cancel your appointment. We are aware that unforeseen events sometimes require missing an appointment. After missing your second appointment without notifying us 48 hours in advance, you are subject to being charged an additional fee.

GENERAL INTRODUCTION OF SHAHEEN CITY HOSPITAL

➤ INSURANCE POLICY

Our office is committed to helping you maximize your insurance benefits. Because insurance policies vary, we can only estimate your coverage in good faith but cannot guarantee coverage due to the complexities of insurance contracts. Your estimated patient portion must be paid at the time of service. As a service to our patients, we will bill insurance companies for services and allow them 45 days to render payment. After 60 days, you are responsible for the entire balance, paid-in-full. If you have any questions, our courteous staff is always available to answer them

You*

5. PROGRAMS:

1. MS Access.
2. Sublime.

6. CONCLUSION:

This project contains Database and website of hospital system. We use different things to accomplish the task in this project in MS Access we create Forms, Reports and Tables of doctor and patient. In Webpage we create different pages using navigation bar that contain About, Contact, Home and Doctor.
